

Reception Activities to do at home:

Read every day and practise your sounds. Write a list of all the books you have read and draw a picture for each one.

Practise your tricky words and letter formation.

Practise counting upto 20 and back down again.

Practise all the number bonds to 10. E.g How many ways to make 8? $1+7=$ $3+5=$.

Practise counting in 10s, 2s, and 5s, doubling and halving, finding odd and even numbers on a number square.

Using money, recognising coin values and adding.

This term we have been learning about life cycles.

Make an information pack about your favourite animal. What does it like to eat? Where does it live? What country do we find it in? How big does it grow? Why do you like it?. What are the baby animals called? Etc. Draw a picture and label it

Write a story about what would happen if you climbed a beanstalk. What might you find at the top? Who would you take up the beanstalk with you? What adventure will you have?

Write a letter to the giant telling him you want to be friends. How could you make him more friendly and stop trying to eat people?
