

Year 6

Some activities for children to do when they are off school:

- ⇒ A work pack (containing English and Mathematics activities) has been sent home.
- ⇒ SPaG.com and TT Rock stars are both available online.
- ⇒ Websites containing educational work are available on the St. Gerard's webpage.

Project

We are currently reading *Kensuke's Kingdom* and we would like the children in Year 6 to create something related to the story. They could build a boat, create a beach scene, produce Japanese art work or write a diary of Michael's journey. Work will be showcased in the classroom on our return. Please be creative.
